

GREEN MAGNET
ELEMENTARY SCHOOL
Leadership and World Languages

3rd Grade Newsletter

October 15, 2018

★ **Curriculum:**

- Reading: Students will write an informative paragraph about their expert country's challenge and how it is overcome.
- Math: Students will learn 3 digit addition and subtraction with place value blocks and place value drawings.
- Science: Students will start learning about properties of liquids, solids, and gas.

★ **Parent-Teacher Conferences:** If you have questions or concerns about your child, please *email your child's teacher (via email, not ClassDojo) to schedule a conference*. Teachers are with students between 8:45-9:15 and dismissal (3:45-4:30), so these are not good times to come in to talk with your child's teacher. We do not want other students to overhear any confidential conversation and misinterpret what is being said. Thank you for understanding.

★ **Student/Parent Compact:** These were sent home in folders two weeks ago. Please return this sheet back to your child's teacher *ASAP*.

★ **mClass:** Beginning of year reading assessments are completed. You will receive these letters with your child's first quarter report card in November.

★ **READvolution:** In your child's folder last week, information about READvolution was sent home. Our school goal is to read 2020 books by mid-November. Register your child online, track your child's reading progress, and help Green Elementary win a chance to attend the Carolina Hurricane's game!

★ **Toys:** Please remind your child to keep gum, toys, slime, jewelry, and other items at home.

★ **IMPORTANT DATES:**

- October 24→ Fall Pictures
- Oct. 19 and Oct. 31→ Full day

★ **PTA Family Night:**

- Tuesday, October 16, 5:00pm-10:00pm→ Milton's Pizza and Pasta Night on Six Forks Rd.
- Thursday, November 1, 5:00PM-8:00PM→ Mcteacher night at the Celebration Station Six Forks.

THANK YOU,

Ms. Calixte, Ms. Khan, Ms. Larkin, Mrs. Palumbo
